What did you like most about this course and/or the instructor's teaching?

Prof. McCarthy is a great lecturer, and I always learned something from them. Extra points for always using Jane Austen and Poké mon to illustrate concepts! When we graded test / assignment he seemed a lot more interested to see that we learned rather than getting caught up in details. Also appreciated that.

What about this course and/or the instructor's teaching needs change or improvement?

Nothing.
